

REMARKS/ARGUMENTS

This is in response to the Notice of Allowance mailed March 2, 2006.

The specification has been amended by the addition of new paragraphs [0020.1], [0020.2], [0020.3], and [0020.4] to the "Summary of the Invention" section of the application following paragraph [0020], as published (or after the second paragraph on page 5 of the application as filed). New paragraph [0020.1] summarizes allowed Claims 1, 5-8, and 17-19. New paragraph [0020.2] summarizes allowed Claims 9 and 13-16. New paragraph [0020.3] summarizes allowed Claims 20-23. And, new paragraph [0020.4] summarizes allowed Claims 24-27.

Upon reviewing the allowed claims, the Applicant noticed a typographical error causing improper antecedence in Claims 21 and 25.

Accordingly, the Applicant respectfully requests that Claims 21 and 25 be amended by deleting the word "screen" from each of these claims as this word was introduced by error. This error is apparent as the expression "said display screen" in Claims 21 and 25 has no antecedence in Claims 20 and 24, respectively. The proper expression for Claims 21 and 25 is "said display". The word "screen" appears in line 2 of Claims 21 and 25.

No new matter has been entered by the above amendments.

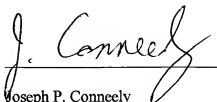

The Applicant respectfully requests that the above amendments be made to the application such that the patent issues with new paragraphs [0020.1], [0020.2], [0020.3], and [0020.4] and amended Claims 21 and 25.

Respectfully submitted,

McCarthy Tétrault LLP
